### PLACEMENT RATES

Calendar Year	Number of students who began program (1)	Number of Graduates (2)	Graduates Available for Employment (3)	Graduates employed in the field (4)	Placement rate % Employed in the Field (5)	Graduates employed in the field an average of less than 32 hours per week	Graduates employed in the field at least 32 hours per week
2012	58	6	6	6	100%	3	0
2013	46	20	20	14	70%	14	0

- (1) Number of Students Who Began Program' means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.
- (2) Number of Graduates' is the number of students who have completed the program within 100% of the published program length.
- (3) Graduates available for employment' means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment' means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- (4) Graduates who are gainfully employed, in a single position for which the institution represents, the program prepare graduates, within six months after the student completes the applicable educational program. For occupations requiring passage of a licensing exam prior to employment, institutions may count the graduate if employment begins "in a single position, for which the institution represents, its program prepares its graduates within six months of the announcement of the first licensure exam results."
- (5) Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

**Initials: \_\_\_\_\_ Date: \_\_\_\_\_ I have read and understand the above placement rates.**
